

Lian Kimia

Head of Business Development and Value Creation

Lian is Head of Business Development and Value Creation for Group 11. She is responsible for helping Group 11's portfolio companies win through business development initiatives and sales and team growth referrals, while also driving investor engagement, marketing, and community building.

Prior to Group 11, Lian led community building efforts for Pritzker Group in the LA tech community, and also led international expansion efforts for the Harold Grinspoon Foundation.

Previously, Lian co-founded Axis Innovation in Israel. Lian is a graduate of UCLA where she received her BA in Political Science and International Relations.
